Dear Mr. Sabel:

I would like to take this opportunity to formally thank you for all your help with regard to the above captioned property. Unfortunately, despite your valiant efforts, the transaction did not go forward. Your service was prompt, professional and courteous. Your technician, Dan Sault was both professional and knowledgeable. He will prove to be a great "good will" ambassador for your company. Feel assured that I will be happy to recommend you, your company and your services to all my colleagues.

If I may be of service to you at any time please feel free to contact me. Again, please accept my sincere thanks for all your efforts.

Very truly yours,

David J. Minicucci
